

## Trustee Biography – Doreen Veale

Doreen Veale has been a Trustee of Ideal for All since 2005, having first joined the organisation as a member in 2002. She brings extensive lived experience of disability and caring, alongside practical financial expertise gained as Finance Controller for her late husband's heating and plumbing business. Her skills include finance, fundraising, community engagement and governance, enabling her to make a valuable contribution to the Board.

Throughout her life, Doreen has been a passionate advocate for disability equality, drawing on decades of personal experience both as a carer and as someone living with disabilities. She is committed to ensuring that disabled people and their families receive the support, opportunities and inclusion they deserve. Through her longstanding involvement with Ideal for All, Doreen continues to use her knowledge and experience to help shape services, influence positive change and support the organisation's mission of empowering disabled people and strengthening communities.
