

Trustee Biography – Lindsey Bucknor OBE

Lindsey Bucknor OBE is Chair of the Board and brings more than 38 years of public service experience to the role.

His career has spanned senior regional and national leadership positions in business transformation, operational delivery, programme and project management, and equality and diversity. He has led large-scale service delivery, supported strategic change at national level, and contributed to improving performance across complex public service environments.

Lindsey also brings valuable insight from supporting charitable work in challenging circumstances, alongside lived experience of supporting elderly and mobility-impaired relatives. He is committed to using his knowledge and practical experience to support disability equality, inclusion, and stronger outcomes for the communities the organisation serves.
