

Trustee Biography – Dr. Mohamed F. Laradi

Dr. Mohamed F. Laradi has served as a Trustee and Non-Executive Director of Ideal for All since 2022. He brings extensive experience in material procurement within the oil and gas sector, having worked in the sourcing and supply of a wide range of mechanical, electronic and industrial spare parts. His professional expertise includes procurement, supply chain management and risk management, enabling him to contribute valuable strategic oversight to the Board.

Mohamed is passionate about supporting humanitarian causes and is committed to promoting equality, inclusion and positive social change. He believes that serving organisations that make a difference provides both purpose and motivation, and he is dedicated to helping Ideal for All deliver its mission of empowering disabled people and strengthening communities through effective governance and leadership.
